CITY COUNCIL MEETING – March 3, 2025**CITIZEN PARTICIPATION FOR NON-AGENDA ITEMS (5-minute time limit per person):**

1. Christina Tozzie, La Junta Chamber of Commerce President: On Saturday, March 8th at Otero College, the School of Statesmanship Stewardship and Service will be offering an introductory session on leadership that will lead to an 8-week course. The introductory session is free and open to any community member who has an interest in La Junta.

The Chamber Board of Director in conjunction with the City of La Junta will be having a Welcome Reception for Michael Hart on Friday, March 21st from 6:00 p.m. to 7:30 p.m. at the Kiva.

The Chamber is in the planning stages of Early Settlers Day. It will be held Saturday, September 6th and we look forward to working together with the City.

2. Douglas Golding, 1316 Lincoln Avenue: Glad to see the La Junta webpage up but it's important to keep it up-to-date. The following items need addressed: add Senior Center available for rent, remove Senior Center dances, update the golf schedule, remove the Fairway from the website.
3. David Polley, 622 Colorado Avenue: Spring is coming which means bears are coming out of hibernation. Encouraged everyone to call the Police Department and get with their neighborhood watch. The Police Department has moved to the Armory. Thought it would be nice to build cohesion in the community by having fundraisers (cookouts, dances, hole-in-one, turkey shoots) where the proceeds would go back to the Police Department to help with their new facility.

REPORTS**A. Yielding Equitable Entry to Housing & Well-Being (YEEHAW).**

Terry Smalling, Kitchen of Kindness: Kitchen of Kindness serves meals every Thursday at the River of Life church building. Typically, anywhere from 70-100 meals are served every week. We are part of the street outreach which also includes the County Health Department and Valley Wide Health Systems.

Larry Chatman, 606 Santa Fe Avenue: At the meeting held at Otero College, there was not a single voice in the room that didn't agree that something needed to be done. Out of that meeting, YEEHAW formed. It has become a community collective of people who want to do something to help make this community a better place. We opened warming centers when the weather was very threatening. We have the Kitchen of Kindness who's is also doing outreach. We're also trying to develop resources to help people take the next steps. We're focusing on primarily getting people in the warming centers and then doing interviews to see how we can help them take that next step. We've interviewed over 75 individuals in 5 warming centers and have gotten them the basic stay alive tools which is all donated. The beautiful thing is us getting to come here and report something good to the council.

Jeff Richardson, 617 San Juan Avenue: Welcomed the new City Manager. Thanked the community. We've helped a lot of people to go in a lot of different direction. The City has participated with law enforcement. Everybody's really great. It's good to see that people are getting the help they need. It's brought a lot of people together in our community.

NEW BUSINESS**A. Board Appointments for Merit Appeals Board – terms to expire 12/31/2025**

1. **Dillon Martin**
2. **Angela Bamber**
3. **Joanna Finney**

The City of La Junta's Charter designates how certain decisions are made in a situation where a city employee is unhappy in some way; being suspended, aggrieved or terminated. In our Charter, we are required to have a Merit Appeals Board for when an employee needs to speak to someone about their particular issue. We don't always have a board seated because we very seldom have these things happen. It's a group of three people who reside within the taxing limit of the City of

CITY COUNCIL MEETING – March 3, 2025

La Junta. These individuals would have some experience with human resources, Colorado Law and deals with employees and how that process is done on a day-to-day basis.

MOTION TO APPOINT DILLON MARTIN, ANGELA BAMBER AND JOANNA FINNEY, AS A SLATE, TO THE MERIT APPEALS BOARD: Rikhof

SECOND: Ochoa

DISCUSSION: The Merit Appeals is the last step in a grievance process in the case of suspension, demotion or termination. If you are grieving the action of another employee, that would go to their supervisor. If you are grieving the action of a supervisor, that goes straight to the City Manager. The employee would appear before all three members. Members of the board are chosen because of their ability to do their job. Any conflicts of interest would be addressed each time.

VOTE: The motion carried 7-0

B. Liquor Licenses

1. **Set for Hearing/Application for a Retail Fermented Malt Beverage and Wine Liquor License by LJ Liquor LLC, d/b/a LJ Liquor LLC, 302 E. 1st Street.** The City Clerk set this matter for a Public Hearing on Monday, April 7, 2025 at 6:00 p.m.

SECOND: Pantoya

VOTE: The motion carried 6-0 (Stoker recused)

3. **Application for Renewal of a Fermented Malt Beverage and Wine Liquor License by Walmart Inc., d/b/a Walmart #1384, 6 Conley Road.** The application is in order and has been reviewed by City supervisors for compliance with City and State codes. The appropriate fees have been tendered and the City Clerk recommends approval.

MOTION TO GRANT A RENEWAL OF A FERMENTED MALT BEVERAGE AND WINE LIQUOR LICENSE BY WALMART INC., D/B/A WALMART #1384, 6 CONVLEY ROAD: Rikhof

SECOND: Pantoya

DISCUSSION: There was no discussion

VOTE: The motion carried 7-0

- C. **A Resolution Approving an Application for a Variance.** The application is made by Niels and Maureen Rikhof for their business Carpe Construction. They are going to build a 3-car 2-story garage that will be affiliated with the Chestnut Apartments at 4th and Santa Fe Avenue. Resolution No. R-7-2025 was presented for the Council's consideration.

MOTION TO ADOPT RESOLUTION NO. R-7-2025: Ochoa

SECOND: Velasquez

DISCUSSION: The Zoning Regulations require there to be a residence on the property prior to building a secondary building (garage). This piece of property is located across the alley from the Chestnut Apartments and is only around 2,000 square feet. This variance allows for the construction

CITY COUNCIL MEETING – March 3, 2025

of a 3-car 2-store garage without a resident. It will be used for off street parking and storage during construction of the Chestnut.

VOTE: The motion carried 6-0 (Rikhof recused)

D. A Resolution for a Full Audit of the Property Management Enterprise Fund. Resolution No. R-8-2025 was presented for the Council's consideration.

Mayor Ayala: In a time when government efficiency and accountability are under scrutiny, we must take a hard look at ourselves as a city. We have to make sure we are being transparent. We have to have clear accountability and better oversight and a commitment to a responsible stewardship of taxpayer dollars.

City Attorney Harris: The word "audit" is not an additional financial audit that repeats the work already done by the City of La Junta accountants. It is more of a detailed look at the processes in place and to look at the properties owned by the city, understand how they are used and know which are assets vs. liability for the purpose of the Enterprise Fund, which is not funded in any way by the General Fund.

MOTION TO ADOPT RESOLUTION NO. R-8-2025: Pantoya

SECOND: Ramirez

DISCUSSION: The City Attorney explained that any time money is needed for something that hasn't been budgeted, you need to figure out where it will come from. We would be looking at the General fund. This could be done in-house without any additional cost, an external company may be hired, or it could be something in the middle with a \$5,000 deductible padi to CIRSA (the City's insurance company) and they would do the audit themselves.

Council Member Stoker feels the funds should come from Property Management and not the General Fund. Council Member Rikhof believes that if management can move around money for raises, they can also move around the same budget to cover this expense.

VOTE: The motion carried 7-0
